Welcome to Wargame Innovations Figure Painting Service

We offer a first class service in terms of quality at the right price. We paint only to showcase standard, being wargamers ourselves we much prefer to command units that are miniature works of art, rather than hurriedly painted mass-produced units.

Our style is consistent and we take enormous pride in our finished work, each piece is researched to give you figures with historically accurate attire, but with character.

To fully appreciate our quality we offer a quick turnaround sample figure service.

To take advantage of this service pick out one of your figures, send it to our mail order address along with £4.50 to cover painting/return postage.

Upon receipt we will deflash, undercoat, paint, varnish and finally base your figure and mail back to you within the week workload permitting.

We can base to any convention DBA/ Grand Manner/ Armati/ Rapid fire etc, just provide clear instructions of base sizes with your order.
